Benefits to sponsors

Tax Refund

ADDITIONAL BENEFIT FOR SPONSORS —
REFUND OF COMPANY INCOME TAX
(in case of planned dividends)

By signing a contract with the Latvian Automobile Federation (LAF), supporter receives company income tax discount in amount of 85% from donated amount in the contract (certain limits on amounts exists according to the legislation of Latvia).

Example: when donating 10 000 EUR, the real expenses for the company is 1 500 EUR.

Benefits to sponsors

Tax Refund Options

The tax may be reduced in three different ways. A donor may use only one of such rebates and to apply it during the whole reporting year:

- not to include the donated amount in the taxable base, but not exceeding 5% from the profit of the previous reporting year after calculated taxes;
- not to include the donated amount in the taxable base, but not exceeding 2% from the total gross labour payment calculated for employees during the previous reporting year, from which MSSIC (VSAOI) were made;
- to reduce the calculated EIT (UIN) from dividends by 85% from the donated amount, but not exceeding 30% from the calculated EIT (UIN) from dividends.
